Interest to Every Person in

In every newspaper in the country you will read statements made by people living in out-of the way places, who are supposed to have been cured or derived great benefit from some wonderful rem-edy or "cure all." But here in Barre we publish statements make by Barre peo-ple—the tastimony of your friends, neighbors and fellow-townsmen.

neighbors and follow-townsmen.

S. H. Maxwell, barber, at 303 North Main street, Barra. Vt., says: "My occupation of course, requires a good deal of standing and stooping over and I suppose this is what brought on kidney trouble in my case. I had a heavy dull pain nearly all the time just over the hips, and at night when I got through working my back would be so lame that I could hardly get around. A friend advised me to try Doan's kidney Pills and I got them at E. A. Drown's drug store. Before I had used one box I could see they were helping me and after taking the contents of three boxes I was completely cured of all my former troubles. I give all the credit for this to Doan's Kidney Pills and speak a good word for them when-
